FROM THE PRESIDENT AND CEO

30 Years of Cruise Expo!

By Stephanie Turner, CTC

President & CEO, Brentwood Travel

Brentwood Travel's first Cruise Expo was held in January 1991 in the center court at Chesterfield Mall. When we started to plan it, we had no idea that we would soon be in Desert Storm. We were so lucky that by the end of January we were victorious, and people were eager to travel.

Our staff had two phones hooked up to call cruise lines so we could book cruises on the spot. We were amazed by our success! People were standing in line to buy Caribbean cruises, which accounted for most of our sales. Fast forward to today and our staff now books cruises with their cell phones and laptops at West County Center. It's the perfect location, and we have developed a great partnership with West County Center and Macy's over the years.

For our 30th Cruise Expo, we have 21 incredible cruise lines and tour

companies at our show representing a wide variety of products and destinations. From river to contemporary large cruise ships, luxury companies to fantastic land operators as well, there is truly something for everyone at our show. We have met so many wonderful people over these 30 years, and many have become great friends. With several thousand people attending Cruise Expo each year, it still amazes me how many people come to a mall to book their cruise or tour from Brentwood Travel. Our clients love meeting our amazing sales representatives from various companies, as well as getting acquainted with our experienced staff.

Come out and celebrate 30 years of Cruise Expo with us, January 17-19, 2020! We are offering so many exclusive offers and special extras in honor of this celebration. Brentwood Travel has been in the travel business in St. Louis for 63 years and we truly value you, our clients. We will take wonderful care of you and yours on your next vacation. Look for me and say hello when you get there!

A Cruise Expo throwback with Stephanie Turner

From New Orleans To New Discoveries

The French Quarter in New Orleans

New Orleans. Music festivals and masked celebrations. Fabulous restaurants and relaxing patio dining. Streets lined with iron balconies and full of rich history. It's one of the most unique cities in the country and easily our nearest drivable cruise port. And this year, ROYAL CARIBBEAN's Majesty of the Seas will be sailing from The Big Easy all year round!

Start your New Orleans exploration in the city's historic heart, the French Quarter. See the St. Louis Cathedral in Jackson Square or wander from stall to stall at the French Market. On Bourbon Street, be sure to grab a tasty Hurricane or bourbon-based Sazerac. Hop on a streetcar and cruise down Canal Street to the Garden District, where you can view antebellum mansions and historic cemeteries. And don't forget! One of the best things about New Orleans is the food – be sure to try the classics, including po' boy sandwiches, muffulettas, gumbo, jambalaya, boiled crawfish, and of course some powdery beignets.

The infectious spirit of this city is just the beginning of a truly fantastic vacation, because *Majesty of the Seas* is ready to take you to incredible ports of call all throughout the Caribbean. Your voyage could include exciting adventures like

Perfect Day at CocoCay

meeting macaws and parrots at Nancy Forrester's Secret Garden in Key West, a dolphin encounter at the Atlantis Resort in Nassau, a stop at San Gervasio (the largest ancient Maya site in Cozumel), or snorkel the Great Blue Hole in the Belize Barrier Reef.

Not to mention, nearly every *Majesty of the Seas* sailing out of New Orleans includes a stop at the newly reimagined Perfect Day at CocoCay, Royal Caribbean's private island! Here you can conquer the world's tallest waterslide, Daredevil's Peak. Choose something a little more relaxing at the swim-up bar in the largest freshwater pool in The Bahamas, lay back in a private floating cabana at Chill Island, or eat your heart out at Captain Jack's.

With so many options on *Majesty of the Seas*, cruising from New Orleans really is like two vacations in one. Royal Caribbean wants to give you a taste of Cajun-Caribbean fusion, and these sailings are the ultimate way to do that.

At the 30th annual Cruise Expo, be sure to say "hi" to our ROYAL CARIBBEAN rep, Lauren, and learn more about *Majesty of the Seas* sailings from The Big Easy!

The New Celebrity Apex

Celebrity **X** Cruises®

Have a cocktail on Celebrity Apex's Magic CarpetSM

After much anticipation, **CELEBRITY CRUISES'** newest ship, *Celebrity Apex*, will make her debut in April 2020. This is the second ship in *Celebrity's* innovative *Edge* class series and it's changing the game of modern cruising by reinventing their dining, entertainment and staterooms to bring you the ultimate cruising experience!

Celebrity Apex is elevating their dining with four unique, complimentary main dining restaurants. Enjoy a grilled carrot and mozzarella salad at Cosmopolitan Restaurant or lavender roasted salmon at Normandie Restaurant. Are you a fan of Mediterranean cuisine? Dine at Cyprus Restaurant for staples such as lemon dill chicken souvlaki or lamb shank tagine, or indulge in strozzapreti carbonara at the Italian eatery, Tuscan Restaurant.

Expect the unexpected with *Celebrity Apex's* on board entertainment! The theater includes four stage areas and three moving projected backdrops that will take performances to a new level. Shows will include multiple themed acrobatic acts and exclusive music performances by headline entertainer Marcus Terrell.

Reinventing the standards of staterooms was a must when *Celebrity Cruises* began designing their *Edge* class ships. That's when the idea for the Infinite Veranda stateroom was born, making your stateroom 23% larger than their

Dine at Tuscan Restaurant

Infinite Veranda stateroom

Solstice Class veranda staterooms. Watch your entire stateroom transform into a luxurious veranda at the push of a button without having to sacrifice any square footage.

Where can you find some of the best views on the ship? On the world's first cantilevered, floating platform, the Magic CarpetSM. This moving platform is exclusive to the *Edge* class where you can enjoy a meal in an open-air dining area or a cocktail in a relaxing lounge, the space's purpose varying from deck to deck.

Celebrity Cruises encourages everyone to experience the joy of cruising, so *Celebrity Apex* has accessibility features from bow to stern. The ship embraces boarding assistance, handicap-friendly staterooms, accessible shore excursions and autism-friendly initiatives. This includes sensory-friendly films and toys, dietary menu options, and overall autism-friendly training for Camp at Sea staff.

Experience the all-new *Celebrity Apex* for yourself by sailing throughout Europe in style on her inaugural sailing. Spend eight nights cruising throughout Spain, Portugal and France to enjoy 14th century architecture in

Bilbao, Spain; the mosaic sidewalks of Lisbon, Portugal; and the alluring atmosphere of Paris, France. Revolutionize the way you see the world. The future of cruising is here thanks to *Celebrity Cruises!*

Spend the night at a hotel in Kamloops and wake up the next morning to view the natural beauty of the Thompson River and the cascading waters of Hell's Gate in the Fraser Canyon. This combined with your Cunard cruise is the most luxurious way to see Alaska.

THE CUNARD EXPERIENCE

Sail in style on *Queen Elizabeth* and look forward to Cunard's prized daily ritual: afternoon tea. In nearby Giza, witness the awe-inspiring Pyramids of Giza – one of the Seven Ancient Wonders of the World – and marvel at the iconic Great Sphinx with a local archaeologist. Continue to ancient Memphis, with its nearly 40-foot statue of Ramses II and see Egypt’s first pyramid, the Step Pyramid.

big they were. The amount of work and dedication that went into building these tombs for their Pharaohs and Queens is truly amazing. It’s wonderful that they allow tourists to walk so close to the structures.”

Be flown to Luxor where you’ll embark on a leisurely paced four-night cruise on the Nile, the world’s longest river. See Luxor’s impressive Temples of Karnak and uncover countless ancient treasures including the Valley of the Kings, the Temple of Queen Hatshepsut at Deir El Bahari, the Colossi of Memnon and the Luxor Temple. As you sail down the Nile, you’ll visit multiple sites including the Karnak Temple dating back to 2000 B.C.; the Temple of Horus, depicting the power and grandeur of the pharaohs; UNESCO World Heritage Site Philae Temple; and the temple complex of Medinet Habu, Valley of Nobles.

Collette’s Egyptian experiences are completely one-of-a-kind. In Luxor, prepare to be inspired during the sound and light show at the Karnak Temple. Partake in a special evening and dress up during a traditional galabeya party

as you sail to Edfu. During your visit to Aswan, you get to choose whether you sail to the lush oasis of Kitchener Island aboard a felucca (wooden sailboat) or experience Nubian culture’s past and present during a visit to a fascinating museum. So many treasures of Egypt are waiting to be experienced, and Collette wants to take you there.
